Introducing Career Bridge – a premier provider of tailored B2B services with over 21 years of experience in overseas education consulting. At Career Bridge, we are Committed in offering comprehensive and seamless career opportunities to prospective clients and their valued students.

With a proven track record of successfully placing students in top global institutions, we have established strong partnerships with reputable colleges and universities across the USA, UK, Canada, Australia and more, ensuring favorable admission outcomes.

Our commitment to excellence has earned us prestigious accolades, including the **Excellence in Overseas Education Consulting award from the Times Education Group** and **Great Place to Work certification by the Trust Index survey**. We are also **proud to have earned the prestigious ICEF accreditation**, which serves as a testament to our commitment to upholding international standards of excellence in education services. These recognitions highlight our student-centered approach and our dedication to helping students achieve their educational aspirations abroad.

By partnering with Career Bridge, our clients gain access to our extensive network and resources, ensuring their students receive world-class guidance and significantly improve their chances of academic success.

Here's why partnering with Career Bridge would be beneficial for you

Extensive Industry Experience : With 21 years in the field of overseas education and consulting, our experience is unparalleled. We have the expertise you can rely on. Simply put, you can count on us.

Specialized B2B Team: Our specialized team of Client Service experts ensures a smooth process from shortlisting to visa application. With an average experience of over 5 years of industry experience, you can count on our team for accurate and timely guidance and support

All-Encompassing Support: From shortlisting and document preparation to application submission and offer follow-up, we deliver personalized support to ensure a smooth and successful transition for both clients and students.

Attractive Commission Payouts: Thanks to our direct university representation, we can offer competitive commission payouts, which we pass on generously to our clients. We provide enticing commission-based partnerships, with 80-90% of the proceeds from our partner universities for each student recruited. We encourage you to explore our commission payout chart which will corroborate our claim – Attractive commission payouts.

Awards and Recognition: Over the years, we have established a strong reputation in overseas education consulting, including being honored with the Excellence in Overseas Consulting award by Times Education Group. Our supportive work environment has also earned us the Great Place to Work Certification for 2024-2025. Most notably, many of our team members hold British Council certification as counselors.

Swift Turnaround Time: We understand the urgency in the overseas education application process. Our close collaboration with partner universities ensures a seamless turnaround time for offers, typically within 24 hours of application – You can count on us to deliver efficiently!!! We will not Disappoint you and your students!!!

In-Depth Training : Effective promotion of universities or programs requires precise knowledge. Our dedicated trainers ensure that our clients receive thorough training on every aspect of a student's journey, adapting to evolving market conditions.

Visa Assistance: Navigating the student visa process can be challenging, but you don't have to face it alone. Our team of experienced visa counsellors are here to train and guide your team through every step of the student visa application process, ensuring a smooth and successful experience.

University Specific Remarks

- Some Universities, including Teesside University, University of Salford, University of Hertfordshire, if a student is not enrolled, fails to pay tuition fees, withdraws, or is not enrolled for the second year, the university will reclaim the commission paid in the previous intake for the student.
- Change of agency for university of Leicester, the university pays only GBP 300 for this change. We will share 80% of this amount with our clients.
- Commission Payment plan in Installments – Pls note for University of Greenwich, University of East London, BPP, Roehampton, Ravensbourne the commission is paid in installments or as per the Tuition Fees paid by the students.
- Delayed Commission Payments – Please Expect delayed payments from the following Universities – BPP University, University of East London, Ravensbourne University, University of Roehampton, Ulster University and University of Chester.

Terms and Conditions

- All clients must sign an agreement with Career Bridge for commission payments.
- The above commissions are applicable for September 2025 recruitments only.
- Commission is payable only for students who have paid 50% of their Tuition Fees or Fees required to complete enrollment.
- Commissions cannot be claimed for students who have not enrolled, paid tuition fees but have not registered, or have withdrawn from the university before the census date.
- Some universities release commission payments in 2-3 installments; therefore, commission payments will be made accordingly.
- Commission payments will be processed approximately 8-10 weeks from the date of enrollment. Note that there may be delays with some universities.
- Commission can only be paid on receipt of an Invoice from the Client. The Invoice must include details of the students recruited along with the fees and commission claim.
- Commission can be paid in INR or GBP as per the client's preference. All commission payments in INR will be subject to applicable taxes.
- We encourage our associates to visit our partners page for more information and specific terms and conditions - www.careerbridge.in/partners.

Thank you!

Wishing you a successful and fulfilling recruiting experience!
